

MP-19 Tokyo Job Search - May 2000

Shinjuku - nostalgic noodle stand (LwrR)

Look right or left and someone is there...

On the early morning sardine run.....

Under the Shinkansen tracks in Kanda.

A soba shop under the (several) rails.

Elevated Kanda Station in upper right.

Pedestrian only road - weekday noon. 90% of transactions at bank via ATM.

The women in gray... there were an army of them in May... job hunting season.

Shinagawa Station. 9:20 p.m., a typical time for many to be heading home.
